Dear Mr. Hayes:

I am writing to confirm the dates we are to play The Birmingham Black Barons. Mr Manley tells me we are booked in Little Rock Ark. April 27th, and Birmingham Ala. May 4th. Mr. Welch also told us to expect to be playing the entire week in between these dates with the exception of Saturday.

We are playing in Jacksonville Sunday the 20th, and Monday the 21st. If there are any good spots between Jacksonville or Daytona Beach, where we are training, and Little Rock, maybe the two teams could meet, and play a couple games. It might also help break the jump. We would not mind also having a game or two after the 4th on our way home.

I will appreciate having you ask Mr. Welch to write me as soon as he can and let me know how things are coming along.

Dandridge and Wells have already gone to Mexico, and another man who never went before, Ed Stone has also gone. I would not be surprised if some more did not go. I would have tried to keep Dandridge, but he had gone before I returned from the league meeting. Has the west lost any new Men that you know of. I Think I am going to be able to get Day back.

I hope your plans are working out OK, and you have a good team and a good year.

Very Truly Yours
